

SAUDI ARABIA PET IMPORT REGULATION

To import pets in Saudi Arabia, following documents are required

Import permit from the Agricultural Directorate

Application form to get the permission is available at the directorate, fill the required details in Arabic and submit the same. Once you get the import permit, the rest of the documentations have to be done from the origin country.

Veterinary Health Certificate for Living Animal

(This certificate must be accompanied by a covering letter from your veterinarian listing out all the vaccinations given to your pet. There must also be a declaration in the letter that the pet is free from any kind of disease, most importantly rabies. This letter must be addressed to the Director of Customs, Riyadh, Saudi Arabia. Get these documents translated in Arabic and attested by the Saudi Embassy in origin country)

Vaccination Certificate and pet passport

Valid residence permit / National ID for Saudi Nationals

Upon arrival of the PET at Airport following procedures should be adhered.

- ✦ **Consignee must collect the pet from the Cargo Depot in Riyadh airport Saudi Arabia.**
- ✦ **A form in Arabic should be filled at the airport at the depot by the consignee.**
- ✦ **All above original documents should be furnished before the authority.**
